## Comment text:

I have reviewed the proposals for Sunderland - and I strongly object to them. I also don't understand why this review is taking place when there are many other worthwhile causes for money to be spent. It's not broken, so no need to fix it.

Tunstall and Humbledon are neighbouring communities. I request you revert to your previous Tunstall and Humbledon and Farringdon and Silksworth Wards.

I live in Newlands Avenue and this is Tunstall, not Silksworth community. We have been operating like this since I've lived in this property and enjoy the local feel which would be lost if made into a larger Silksworth ward.
