Dear Review Officer,  
I am writing in response  
to possible changes to  
local election boundaries  
in Sunderland.

I feel the present area  
of Hastings Hill, Lyndon,  
Springwell and Thorne  
close works well as a  
single neighbourhood. I  
use the amenities over  
this wider area. In contrast,  
I visit Pennywell very

occasionally. It seems  
like a different part of town.

As long as the present  
arrangement delivers equal  
representation for roughly  
equal numbers of people, I  
suggest it should be  
maintained.

Yours faithfully,
