Comment text:

Dear Sir, My name is [REDACTED] and my address is [REDACTED].

I totally agree with the commission's plan to keep Thorney Close together with Springwell, Hastings Hill, and Grindon as one ward, and I believe it is in the best interests of the people to be represented by one set of local councillors, for many reasons.

1. They are geographically linked and could easily be classed as one area.
2. The people in these areas all share common facilities shops, parks, schools.

They are all linked by,
cycle pathways, bus routes.

It makes more sense in today's climate to try and link people together with their neighbours rather than split them up.

I have lived in this area for 30 years and consider the people of Thorney Close, Springwell and Hastings Hill as my neighbours.

Yours sincerely

[REDACTED].
