Dear Sirs

I understand you are currently considering changes to the above ward which would have a direct affect upon me. My wife and I live at [REDACTED] [REDACTED] and have done so for more than 30 years. we would be directly impacted by this proposal should it proceed. I believe the proposal is to transfer those properties which are situated between the local railway line and Newcastle Road, into the Southwick Ward. Whilst I understand the need to ensure constituencies are of similar size I do not believe those residents affected should become part of the Southwick Ward. I have always believed the houses between the railway line and Newcastle Road are an integral part of Fulwell and indeed we use the local amenities; schools, shops, pubs, library etc. frequently, the majority of which are a mere 5 minutes walk from our house. We do not have the same association with Southwick.

I would therefore urge the Commission to reconsider this proposal and establish the boundary between the two wards as Newcastle Road rather than the railway line.

Kind regards

[REDACTED]

Fulwell Resident
