Comment text:

Whom this may concern I would like to put our opinion on this matter I [REDACTED] who have lived here at this address for over 18 years at [REDACTED]

We totally agree with the commissions proposal to keep High Barnes with Barnes and Thornhill together In one ward .
This makes sense as all these communities are part of the Barnes and High Barnes area which is marked out by its style of housing .

Furthermore these areas share community spaces such as Broadway junior school , Barnes Park and the Wavendon Public House .

We are totally against any proposal to merge High Barnes with Pennywell .
Thank you
