## Comment text:

**Related subject:** Barnes and Thornhill

As a resident of Brierfield Grove of 48 years I read with interest your comments regarding the proposals for the above ward. My wife was born and raised in Pennywell until we married and I was born in nearby Hylton Lane. Your proposals sum up our thoughts entirely and in most of our lives have always felt that we belong to the Barnes ward. An invisible boundary does appear to exist between our area and nearby Pennywell and Pallion ward so the boundary changes would make sense
