To Whom it may concern.

We wrote
a letter before, asking not to merge
with Pennywell and South Hylton.
We are saying the same again. At
present Hastingshill, Grindon, Springwell,
and Thorney close have a great bus
route. We have a lovely Park which
is easy to get to by bus. Pennywell
and South Hylton have no bus
route from here, which when you
consider there are a lot of
elderly people live at Hastings
hill. There is nothing for the
people on Hastings Hill to gain from

this Please keep us as we
are, and dont break whats
not broken. We are a happy
group of four in one ward.
and we like it.
