Dear Sir

I agree with the Commission proposal to keep High Barnes with High Barnes and Thornhill together in one ward. High Barnes not be merged with Pennywell as they are two separate communities. This make sense as all these communities are part of the ~~Barn~~ Barnes and High Barnes areas which is marked out by its style of housing. Furthermore, these areas share community spaces such as Broadway Junior School, Barnes Park and the Wanddon Public House.

I am against any proposals to merge High Barnes with Pennywell areas.

I have lived in this House for 64 year'  
and I am 85 year old.
