**Related subject:** Cheshire East in General

What was the criteria in choosing 82 councillors ... that's 82 salaries, 82 expense accounts and 82 pots of hairbrained decisions. Its about time councils started looking after the people and their needs instead of counting pennies and charging extra in order to maintain and pay for too many councillors. Lets start by suggesting 12 councillors and each having 1/12 of a new 12 boundary cheshire east
