**Related subject:** Wistaston

These proposals will dismember the village of Wistaston which h is NOT part of Crewe and which historically pre dates Crewe. Likewise it will destroy Willaston

Wistaston has nothing in common with Crewe. Recently we managed to get Royal Mail to include "Wistaston " in our default postal address because of the confusion in house sales. This proposal will just restore that confusion. Leave the villages alone and juggle the boundaries within Ctewe if you must fiddle.
