I agree with the boundary commission to keep the Parish of Tankersley as a whole Parish and not to have it divided over two wards. It adds another layer of representatives to deal with and often lends itself to where is the boundary and who's responsibility does it fall to.

I would like to however stay within Penistone East, here we have Parish Councils whom we work closely with, Rockingham have none.

Rockingham is more of a township whereas we are a rural village amongst other rural villages.
