I wholeheartedly DISAGREE With dividing Birdwell Village in half, in order to bring in another village (Pilley & Tankersley. Surely if Pilley and Tankersley need to move why not put in into Hoyland ward, or keep it in the ward it is already in. When it comes to voting, the senior citizens including me of Birdwell will be reluctant to travel on two buses just to vote at Worsbrough Voting booth, when the Rockingham Voting Booth is in the centre of the Village. Will this affect schooling, rates, and council tax bands, and what about funding? I know Rockingham has funding, not sure if Worsbrough has it, if not does this mean one half of Birdwell gets gritted in Winter and the other half doesn't?
