**Related subject:** Stairfoot and Wombwell.

As someone who lives in Wombwell I find it frustrating that I live, shop, spend time in the Wombwell ward and have lived in Wombwell my whole life but since moving to the Aldham house estate I have to vote for stairfoot ward and any concerns I have has to go to there. Could the boundary not move to the bridge so it includes Aldham house estate in Wombwell? That would make logical sense.
