Related subject: Hood Green - Stainborough Parish Council

I am aware of Barnsley Council's proposal for a new rural ward of "Doworth, Stainborough and Tankersley" and I wish to register my objection. I object to moving Stainborough Parish out of Penistone East Ward for the following reasons:

- Stainborough Parish has much stronger links with Penistone than to Tankersley or Dodworth - The children of Hood Green go to school in neighbouring villages in the Penistone East ward and then on to Penistone Grammar School
- Within the Penistone East Ward Stainborough Parish is among similar parish councils. Dodworth and Tankersley have much larger populations and so the needs of Stainborough parish residents risk being drowned out by the larger areas.
- Stainborough parish has areas of conservation and historic interest, as well as green belt land which is not the same as Dodworth or Tankersley.

Therefore I believe it would be beneficial to the residents of Hood Green and Stainborough if the area is to remain in the Penistone East Ward
