To whom it may concern.

I understand that it has been proposed that Eldwick village will be split and part of Eldwick will be in the Baildon Ward . I do feel Eldwick has more connections with Bingley as we have transport links with Bingley and most people do their shopping, schools, doctors etc in Bingley . To propose we link with Baildon seems absurd as we have no transport connections, schooling, etc, with Baildon and the access to Baildon is via the Moor.

I do think there needs to be a re- think on this proposal.

Thanking you in advance.
