**Related subject:** Cottingley

I whole heartedly disagree with the proposal to split our close knit community essentially down the middle. I cannot fathom the reasoning behind this decision. I find it ironic that you are asking us why we disagree with this decision whilst no reasoning has been provided as to why you are proposing these changes.

So I ask you, how will splitting our community benefit us. There are no benefits for us, it is clear that the people of this community were not considered at all in the process.
