I have become aware of the Commissions proposal to modify the local government ward boundries in the Cottingley Village. The whole of Cottingley village has been in the Bingley Rural ward for as long as I can remember and I have lived in Cottingley for 50 plus years. We have a closely knit community and my concern is that your intention to split cottingley along Manor Drive will not enhance the future of Cottingley Village. Whilst there is an argument the Cottingley will now have 6 councillors involved in Cottingley Village I do not see that this will strengthen the representation for Cottingley Village, my view and experience is that it will weaken Cottingley's representation. I would implore you to reconsider your proposals and not to split Cottingley Village.
