**Related subject:** Wakefield North/Wrenthorpe and Outwood West

While I appreciate the whole of Hoult Court has been brought into Wakefield North, I maintain that the boundary in this area is unclear, especially in relation to Milthorp Carr Road, Lancaster Avenue, and Fraser Way. This whole development is accessed via Wrenthorpe and Outwood West, and thus it would seem to make logical sense to move this development wholly into Wrenthorpe and Outwood West. While I acknowledge that the development is accessible via a footpath to the rest of Wakefield North, I would say that primary access is via road. Alternatively, the whole development, including Cawood Close, could be moved into Wakefield North, depending on electorate sizes. However, It would seem to be more logical to include it in Wrenthorpe and Outwood West, where residents likely have stronger connections.

Similarly, Headingley Mews being in Wakefield North makes little logical sense. The development is accessed via Stanley and Outwood East, and feels significantly disconnected from the rest of Wakefield North. I would therefore suggest that this is moved into Stanley and Outwood East.
