As a resident of Wentbridge I fully support & enforce the proposal to unify all of our village / parish within the South Pontefract Ward. We are working hard as a parish group to ensure a fully unified approach across all aspects of our community & its development. Aligning the village within the single ward of Pontefract South is a key step toward achieving the best way forward for the village as a whole - ensuring there is a unified voice for the village via one ward as opposed to the fragmented approach that's been the situation for some time.
