Baildon Town Council's response to the Boundary Commission's Revised Proposals for Bradford Ward Boundaries Consultation Comments (Resolved FC2425/29).

Baildon Town Council is pleased that the Boundary Commission has accepted the principles behind our alternative scheme for Ward Boundaries in Baildon, Bingley and Shipley submitted in January 2024, and warmly welcomes and supports the Boundary Commission's Revised Ward Boundary Proposals for Bradford that place the whole of Baildon in one Ward and the whole of Eldwick in Bingley. This aligns with the Community Identity of residents both in Baildon and Eldwick.
