## **Milton Keynes Boundary Review**

I have been asked by my Parish Council to respond to the above-mentioned Boundary Review in connection with the current Danesborough & Walton ward at Milton Keynes City Council. The Parish of Little Brickhill are currently part of this Ward and how it might be amended for the proposed 60 councillor, 20 ward arrangements moving forward.

Since the Danesborough & Walton was established, a strong working relationship has developed by very good support from our represented Ward Councillors and as we are a small Parish Council we have benefitted from being part of this community greatly.

The Greensand Ridge connects Little Brickhill, Bow Brickhill and Woburn Sands and the historic Wavendon Woods form part of the ridge, linking all four communities historically and geographically.

In summary, although Little Brickhill are a small Parish and could easily be part of another Ward, we feel that we are currently part of a well organised Ward Boundary, and we request that we should remain part of the current Ward.

Yours sincerely

Alan Kemp  
Clerk to the Parish Council
