Hi there,
Please don't confuse the wards further.
How does calling South Ockendon - Ockendon South and Ockendon North help simplify things?
We will have South Ockendon South, South Ockendon North and also North Ockendon itself. Read that to yourself and see how it doesn't make it confusing.
Leave it as Ockendon / North stifford and think of a better name for belhus if thats what residents want.
