My name is Brenda and I live at the bottom of Purfleet Road in Aveley. I was born in the house next door 88 years ago. I object to the plans to incorporate our end of Purfleet Road into the ward of Purfleet-on-Thames. All residents down here regard themselves as Aveley residents, and use all the services, such as shops and doctors, in Aveley village. These plans divide a community, and make no sense as there is a far more natural boundary along the A1306, where there is considerable space dividing the separate towns of Aveley and Purfleet. Thank you considering our opinions.
