**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** The Homesteads

The name of this ward is The Homesteads, which it has been for over fifty years. I have lived in this ward for over forty years and I most definitely do not want the name changed. It's also part of the name of our local forum. Its name is very special to the residents who live there. And I say again that I want the name of the ward The Homesteads to stay.
