**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Woughton

Having been a resident of Woughton for 30 years I am dismayed to hear the there could be a change. The estates of Woughton are among the oldest in the city and I fear splitting them up will lead to further decline, I strongly believe that the current parish of Woughton remains as it is, we have spent 50 years building a community within a new city, that must not be allowed to be broken up
