## Comment text:

How on earth can you move the estate into Dewsbury? How embarrassing might I add if you do!  
I vote for you to leave it in Mirfield, you'll find a lot of houses go up for sale if you do, and yet will cause a backlash by many!  
Dewsbury is a dump, nothing you can do will improve it, why don't you employ people to do a proper job than these snowflakes that pick these "ideas" that think it's such a good idea.
