Related subject: Merging of Trimdon Ward with Brookfield

I would 100% agree to Brookfield coming together with the Trimdon Ward. We would be lucky to inherit Dennis McCabe as he does so much for the Trimdon Ward, hopefully his passion for keeping the area in good condition will continue across Brookfield as we hear very little of our current Kader councillors, we don't even have a regular ward meeting? (If we do it's never advertised!)
