Related subject: Stainton and stainsby hall catchment

I think the area ear marked for Stainton and stains by hall is vast and unmanageable for future councillors especially if there are only 2 for that ward. Especially as plans for the parallel road along a19 are up in arms with the objections and protests? I am more concerned about the lack of plans for building the school, shops, woodland park etc and everything else we were promised when I bought my home?? And we aren't even in a current catchment area for schools in Middlesbrough!!!
