## Comment text:

**Related subject:** Trimdon

Newfield has been given village green status in 2019 after a long hard fight

This area is meaningful to everyone in the vicinity

It is used by running clubs football groups schools residents and needs to remain in the Trimdon ward

The boundary line should run along saffwood beck and blue bell beck which is the natural division..... Not the edge of any green belt. All the houses from Gayton sands.. Galloway sands Luce sands gore sands Curthwaite Stotford should not lose their green area from their house front to the beck should remain within Trimdon ward
