Related subject: Trimdon Ward

I strongly object to being possibly moved from trimdon ward to Stainton ward. This is because I have lived in Acklam for many many years and know who our local councillors are. They know the area, they know people around them and help out as much as they can. They show support for their community and I'd like to continue being part of our community and stay with trimdon ward. I strongly object to changing wards over and would appreciate staying as I am.
