North Ormesby is desperate for a councillor of its own (to be fair the one we have had done very little for north ormesby and is very quiet in the local community) we struggle on a daily basis with litter, drinking on the street through the night, loud parties, fly tipping (daily) many houses in disrepair (private landlords) and Rats living among the dumped rubbish.

We have very little support and because of the amount of refugees, migrants flitting through the area, renting houses every few months, we need our own dedicated councillor for North Ormesby, not share with other wards, things are only going to get worse.

I've lived here all my 60 years of life and the decline in the last two years is extremely concerning! We need more support, not less.

KEEP A COUNCILLOR in North Ormesby!!
