## Comment text:

I am writing this email with respect to changes to Borrowby Rise ward.

I live at [REDACTED] Borrowby Rise and have lived at this address for almost 2 years. When I bought the house, I was told and believed it to be in Nunthorpe. I want to remain in the Nunthorpe Ward. I do not wish for my address to be part of Marton West.

I think it is extremely important to be part of Nunthorpe. My children attend St Bernadette's school which is in Nunthorpe, not Marton. I can walk to Nunthorpe shops easily, Marton shops take much longer. Many more amenities which are close to my home are all in Nunthorpe, not Marton.

I therefore feel strongly that Borrowby Rise should be part of Nunthorpe Ward

Regards
