**Related subject:** Ward Boundary between Nunthorpe and Marton West Review

I agree with Middlesbrough Council recommendations that Borrowby Rise and Plantation View should be part of Grey Towers Village within Nunthorpe for the reasons that they state. We are one community in Grey Towers Village, hold easter, summer and halloween events and support each family as a community. Our facebook page was set up to support all new residents/families, it is administered by several local residents to support everyone on the estate with advice on home issues, repairs, recommended tradesmen, offers free unused or used unwanted toys, children' bikes, furniture baby clothes etc. we are well supported by Nunthorpe ward councillors who know the area and our estate very well. With regard to the wider area being include in Nunthorpe ward, Brass Castle Lane, De Brus Park , golf club farm area, if the residents living there want this I am happy for this to go forward, unless it is a problem for Middlesbrough Council or ward councillor responsibilities which I have no knowledge of.
