I would like to express my strong opposition to the proposed boundary changes currently under consideration.

Firstly, I am unsure why these changes are being discussed and firmly believe that altering the boundaries is unnecessary. Specifically, I am against extending the Nunthorpe boundary to include Brass Castle Lane, extending from the Golf Club to De Brus Park and Newham Hall Farm. Additionally, I object to the proposal to move the entirety of Grey Towers Village into Marton West. Such changes could unjustly devalue properties purchased in Nunthorpe, penalizing homeowners financially.

Regarding the issue of Borrowby Rise and Plantation View, if these properties were classified as part of Marton West at the time of purchase, they should remain in that area. However, if this was not the case, they should undoubtedly be included within Nunthorpe. Thank you for considering my concerns.

Best regards,
