**Related subject:** Trimdon Ward

I am broadly supportive of your proposals with regard to this area.

However, I am somewhat surprised at the drawing of the boundary to the West Your proposed boundary between Trimdon Ward and Stainsby Hall Ward seems to follow the line of the footpath eg in front of Stotfold Walk, rather than the line of the natural feature ie Saphwood Beck.

Saphwood Beck is a clear and natural dividing line and by not following the beck there is just a narrow strip of land which logically belongs in Trimdon Ward. In any event, none of this land forms part of the proposed Stainsby Hall housing development.

I would therefore suggest that the boundary should start at the junction of Blue Bell Beck and Saphwood Beck and then follow Saphwood Beck to the South.
