Boundary Commission Proposals – Marton West Ward, Middlesbrough

As a resident of Marton West, my views on the draft recommendations made by the Boundary Commission for the Marton West ward are as follows:

As a resident I support Middlesbrough Labour groups proposal (Web\_1115501 dated 09/07/2024) to increase the boundary of Marton West ward with the addition of Marton Manor and to make Marton West a three-councillor ward. Geographically this would make sense as everything south of Ladgate lane in Ladgate Ward sits within Marton on the West side. Marton Manor does not have any connection with Marton East while Marton West does.

Currently, Marton West Ward does not have a church or community facility within its existing boundaries, therefore the ward would acquire significantly needed community facilities, such as a church, community centre, sports facilities, a number of public houses, and shops.

Secondly, I DO NOT support the transfer of Middlesbrough Golf Club, Brass Castle Lane, De Brus Park and Newham Hall Farm from Marton West ward to Nunthorpe. There is no close relationship between these properties and the Nunthorpe ward and no clear public access to any of these via road from the Nunthorpe Ward.

Thirdly, Borrowby Rise and Plantation View are part of the Greytowers Village development and access to these houses is from the Nunthorpe ward side, and the rest of the development sits in the Nunthorpe Ward therefore this SHOULD BE TRANSFERRED from the Marton West to Nunthorpe ward.

Thank you for the opportunity to give my views on the Boundary Commission Prposals as they affect the Marton West Ward.

Sincerely

15th September 2024
