This move to link Coleorton with Packington and Heather makes no sense whatsoever. Worse, its not even being doing as a whole as half of Lower Moor lane, the Woolrooms and Aqueduct remain in Worthington and Belton.this is not in the interest of us villagers that are united in a rural community way, namely the use of the Beaumont centre and heritage tie ins, Carol service on the green but more for election headcount reasons. Coleorton has church and primary school links to Griffydam ,GP in Belton and the A511 separates Coleorton and Farmtown from the proposal. I feel that it will be neglected as a result. I recommend Swepstone be added to your new proposal of Packington and Heather and Farm Town,Churchtown The Outwoods ALL of Coleorton and Peggs Green, Lount ,Newbold Coleorton and Griffydam be called, 'The Coleortons, Worthington and Belton ' for a truly rural community representation that is naturally there with the people already attending the schools together, using recreation play parks so maintainance and upkeep is consistent, the church rota unites these villages already and our health facility is within . This makes far more sense and the Councillor can visit on foot which is better for the environment
