

# North East Lincolnshire

## Personal Details:

**Name:** Mr Dan Humphrey

**Email:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:** Scartho Ward Labour Party (Representative of a local organisation)

## Comment text:

**Related subject:** Scartho

The Scartho Labour Party believe that Scartho should remain an electoral ward of North East Lincolnshire, and should be extended in size to reflect new build housing which currently falls into Park or Waltham wards, namely at Boundary Farm Court, land off Torbay Drive and at Kings Park.

Scartho is a thriving community with a number of schools, shops and community facilities, and although growing beyond village size, is a natural choice to remain as a ward.

Our newly elected ward councillor holds ward surgeries at various venues in the wards, and is contacted regularly on a wide range of issues, working closely with Council officers, the Police and local community groups and charities.

There is little to add regarding Scartho as a ward, provided the boundaries do grow to reflect recent housing developments since the last consultation around 20 years ago.
