Comment text:

Related subject: Freshney Ward

Freshney Ward should stay the same and not be broken up into other wards. I believe NELC are using Freshney Ward to gerrymander the results to suit themselves. I.e to suit the Conservatives & Lib Dem's.

Conservative, Lib Dem and Labour councillors on NELC are generally lazy and don't work for their community. All Independents that represent Freshney Ward are very hardworking and rightfully scrutinise poor decision making.
