Dear Sir /Madam

I wish to strongly object to the local councils proposal to abolish the Freshney Ward in Grimsby. This ward is an active community with a number of community organisations for young and old. The council leader claims the ward is too spread out. This is nonsense nowhere is more than a few minutes away. I live on the Willows part and Wybers and Great Coates are 5 to 10 minutes walk down the road unlike going to the West Marsh Ward which is a mile away!

No one I have met wants the ward split up. I believe this is a political move by the Tories to remove independent councillors and is not in the interest of the people of Freshney Ward.
