I do believe we should stay as part of ward, we as a village have three excellent ward councillors who work tirelessly to keep us informed. We are united to stay in this ward, after listening to the head of North East Lincolnshires give his reason. I strongly differ, we are a road away from Wybers Wood. Next to Yarborough Ward. Next to Willows estate which is less than 200 yards from my home. The reasons given were ridiculous, why would we as a village want to be part of The Wolds. Stallingborough, Immingham etc are further away. This has got to be to break up an all Independent Ward.
