I currently have a Harrogate post code yet I am a few miles from Ripon City I am in Boroughbridge/ Claro Ward yet If I want to contact Council services I have to contact Northallerton then choose Harrogate as an option. It's a mess. I consider myself to be part of the Ripon City area not lumped in to Harrogate. Also Ripon is a City and should be acknowledged as such. Harrogate is known for it being a money orientated non sharing place I don't want to be part of that. Ripon is Community orientated who fully acknowledge their rural communities and the issues they have eg adequate public transport services. Harrogate does not. Equality within communities needs looking at and resources shared Harrogate does not do this well very superficial.
