## Comment text:

Hello,

I'd like to give my comments regarding the boundaries in Solihull changing.

I think it's a good idea to recognise sharmans cross as well Blythe valley.

The only ward I disagree is this 'Arden' it makes no sense and still should be Bickenhill and Marston Green.

You've also turned part of Marston in Chemsley Wood ward? This makes no sense again as completely different wards and areas. This should be part of the new Arden ward or Marston Green & Bickenhill still.

My suggestion is the areas of Marston Green & Bickenhill as well as Meriden should remain as they are and desperate.

Also, I don't understand why they class part of Shirley West as Solihull lodge? I think it should be Shirley. Same as Shirley south. Shirley south and west should be just Shirley.

I think it's just being changed for politics and to win the council over and it's not right.

Also it means changes to schooling for residents and other changes.
