Seems to make sense. Just some thoughts on the naming of the Wards - now Shirley East is Sharmans Cross should the rest of Shirley be Shirley North and Shirley South. Also none of Kingshurst is in the Ward Kingshurst & Fordbridge so I think it should be changed to just Fordbridge and then add Kingshurst to Smiths Wood. Also, I'm sure it's for the numbers but it is odd to have the top end of Smiths Wood (Cars Estate) as part of Castle Bromwich. It's also a shame that the boundary for Chelmsley Wood that's along Moorend Avenue couldn't have followed the river so that Chelmsley Wood Town Centre was in the Chelmsley Wood Ward.
