**Related subject:** Solihull / Knowle

I live on Riverside Drive, yet I am in the Knowle area for voting - I do all my activities in Solihull and am interested in what happening in the town. I am not interested in Knowle, as I don't shop there. We also don't have any reps visiting our area. I think the dividing line should be the M42 motorway and not the Blyth River.

I do not feel inclined to vote in the Knowle Ward.

I have lived in Solihull for over 40 years and always voted in a Solihull Ward. I do not understand the reason for my small area being in Knowle!
