Hello

I am against the changes proposed to merge Meriden with Arden.
The Village requires Councillors with knowledge of the area and ones that may live in the area.
Will Councillors from other area have time to dip in and out of Meriden and listen to villagers and their concerns.

Meriden has no links with Arden, Doctors are Balsall Common.
Why can't Meriden go with Balsall Common or Berkswell.
It makes no sense!!

Kind regards
