**Related subject:** Olton Ward

I strongly object to the Olton, Solihull Boundary, being changed to that of Lyndon.  
I feel I speak for many of my neighbours regarding this matter.

I have been an Olton resident since 1984, having the pleasure to associate with fellow residents and businesses in the area.  
This change will have a detrimental effect on the Olton residents, being reflected on property prices and the high standard we associate with in our daily lives.

This is without doubt, a backward step in the development of our area, and should be declined outright.
