Comment text:

I live on Livesley Road, Tytherington. I purchased my house 9 years ago because I wanted to live in Tytherington. I do not agree with the change of boundary to Bollington, this is likely to down value my home. The Tytherington boundary should finish as you join the silk road. It seems a perfect places for the boundary to finish. I have 4 children and this will also affect what schools they can apply for moving forward. It will also affect people wanting to purchase my home in the future..
