Related subject: Bollinbrook

Bollinbrook should stay as part of tytherington ward with a 2 Councillor system. It works as it is and bollinbrook is more closely aligned with Tyhterington that it is Broken Cross and Upton Priory. If you are going off barriers and distance as a reason for Bollinbrook to not be included in Tytherington ward then how could it possibly make sense for it to be included in the Broken Cross ward which is miles away!
