I don't believe Wychwood Village should form part of the new Weston Ward moving from Wybunbury if Wychwood park is remaining in Wybunbury. The Parliamentary constituencies map has Wychwood Village part of Chester South and Eddisbury with the local councillor the councillor for Wybunbury along with Wychwood Park.

Wychwood Village should remain in Wybunbury ward, or Wychwood Park should form part of Weston parish along with Wychwood Village.
